I, Darrell L. Bumpas a inmate
detainee OCA number #139785 at CCA - Metro Davidson County
Detention Facility located at 5115 Harding Place Nashville
Tennessee 37211 assigned to H-unit cell 2-05

Today is 9-29-09 and I have been here at
CCA - M.D.C.D.F. at or around 5 months or so. First of all
there is no grievances nor informal resolution forms in this
unit, and hasn't been no grievance forms in the unit for
detainees access my whole stay, and I've had to go out of
the way, or through another inmate with better access to
things such as this to get all the ones I've ever had, or
submitted to this day. Yesterday at or around 3:30 pm on
my way from the CCA library in which I was called to medical
and the library at the same time which took away most of
my law book research time along with having to copy everything
by hand out of the law books. And with the small time I'm
allowed and several cases I got pending being civil and
federal I can't get nothing done, and this makes a very
small job complex. Then there is no copy machine in the
library for inmate access. So a detainee has to give the
librarian the Gates his legal documents for copies, and
law cases, or court rules, or anything in a law book is
not accepted or allowed for copies, And then you may have
to wait days at a time to get your legal documents or
